Message from Principal's Desk

Muralidhar Girls' College, situated at the heart of the city, is one of the premier institutions of women's education in Kolkata, West Bengal. The college started with a humble beginning in 1940, soaring high steadily through a span of 80 long years in academics as well as in NCC and NSS, establishing itself as a heritage institution. The college received B++ grade by UGC –NAAC in September, 2016. As a significant mark of achievement, 2016 marks the receipt of the prestigious RUSA grant of 2 crores for the development and betterment of the college. This reputed college in Kolkata provides various Arts and Science courses affiliated under the University of Calcutta and is particularly attentive towards the empowerment of girl students. A 4 year (job oriented) degree course under the University of Calcutta, Tourism and Travel Management (TTMV) caters for jobs in all government and non –government sectors. From this year onwards, CCF system is being followed, in tune with the guidelines of National Education Policy, providing multiple options for students and ensuring their all round development. The college is also concurrently running the CBCS system for the second and third year students. The college has opened honours in core Science subjects such as Chemistry and Mathematics from academic session 2017 –18. Physics and Microbiology have received affiliation from the University of Calcutta from 2017 –18 as general subjects, thus strengthening the Science wing of the college. College sponsored career and market oriented add on courses that have utility for job, self –employment and empowerment of the students are conducted for their benefit. Last year, 95% students benefitted from the Kanyashree Prakalpa. Apart from this, numerous other scholarships like Minority, ST/SC/OBC, Udayan, etc, are catered to. Abiding by the

CU rules, there is a sports quota for national, state or district level performers who are provided with various facilities. The college organises conferences, workshops, placement training sessions for the betterment of the students. The NCC and NSS units are active at local, state and national levels. College sports, functions and prize distribution ceremonies are organised every year. Committees such as the Discipline Committee, Anti –ragging Committee, Internal Complaints Committee, Grievance Redressal Cell, etc address the concerns of the students. IGNOU (Indira Gandhi Open University) study centre in this college fulfills the higher educational aspirations of our students and paves the way for an inclusive knowledge society for all. On behalf of all the staff, I welcome the students enrolled here for a bright and promising future. The motto of the college 'Atmadeepa Bhava' is the guiding principle of self enlightenment and journey of search of oneself that the college stands for. Sincerity and honesty when coupled with the right amount of tenacity always ends with something good for an individual, for the college and for the country, as our students are the future citizens who will mark the world with their footsteps. The motto teaches them to be transparent in their actions and also be accountable to one's own self so that they do not fall in the face of unnecessary queries. For that, the college teaches them to introspect their actions, both past and present- introspection of what they are, what their wrong doings are, so that they can watch, analyse and come out with a solution of making better decisions in the future. So introspection, diagnosis and action taken are the keywords emphasized in their steps for a successful forward march.

HISTORY OF THE COLLEGE

Muralidhar Girls' College began as a girls' school with a small number of students in 1919. The founder was Sri Muralidhar Bandyopadhyay, Principal of Sanskrit College, a well-known scholar and educationist, whose dream was to inspire in young women the ideals of national tradition and culture. His dream was fulfilled later on July 8th, 1940 when the school developed into Ballygunge Girls' College with the distinguished educationist Sri Nalini Mohan Shastri as Principal. In 1945 the College was permanently affiliated to the University of Calcutta and a year later it was renamed Muralidhar Girls' College as a mark of respect to the founder's memory. His worthy son, Sri Hironmoy Bandyopadhyay, IAS, Ex Vice-Chancellor, Rabindra Bharati University, became Vice President of the College Governing Body and arranged a grant of 3 lakh from the Government of India for the construction of a 3 storied building on Gariahat Road, where the college has since been housed. The College is at present enlisted in the UGC panel of recognized colleges (in West Bengal) under section 2(f) & 12(B) of the UGC Act. It is also registered under West Bengal Societies Registration Act, 1961. The total land area of the College is 0.25253 acre, over which it has undisputed ownership. The total constructed area is 3134.5 square meters.

Vision : Our vision is the empowerment and enlightenment of women through value-based and quality education so as to foster informed global minds. The Institution also has a proactive role in enabling the girl student for income generation and sensitizing them to international issues, so that they become truly equipped global citizens.

Mission : The mission of the college is succinctly expressed through our motto ATMADIPO BHABO. The institution aims at holistic development of unexplored potential of our students. The mission of the institution is consonant with the Millennium Development Goal - 'Promote gender equality and empower women' (UNDP, Human Development Report 2002) and the National Education Policy to extend equal socio-technological opportunities to all the students

Objectives : The following objectives are identified to fulfill the vision and mission of the college.

- To empower the students to know and ask for their rights to education, health, shelter, food and clothing.
- To empower the students to fight against every form of discrimination.
- To enable the students to take decisions and accept responsibilities.
- To cater to the needs of the society through capacity building of the students.
- To empower the students scientifically through Information and Communication Technology (ICT) enabled education to face global challenges.
- To empower the students with necessary socio-political awareness so that they become effective members of the civil society.
- To inculcate in the students moral, social, secular and ethical values.
- To sensitize and educate the students about environment and sustainable development.
- To create a healthy, competitive academic environment by continuous upgradation of teaching-learning process through research and ICT advancements.

Quality Policy of the college : "Muralidhar Girls' College is committed to excellence in modern education, training, research, entrepreneurship, career development and placement services to the optimistic satisfaction of our stakeholders."

ADMINISTRATION :

Principal: Prof. (Dr.) Kinjalkini Biswas

The Principal functions in consultation with the Governing body. She is assisted by the office staff and various Committees formed by the Governing Body and the Teachers' Council in all academic and administrative matters.
