Message from Principal's Desk

Muralidhar Girls' College situated at the heart of the city at Gariahat is one of the premier institutions of women's education in Kolkata, West Bengal. The College began a humble beginning in 1940 A.D. soaring high steadily through a span of 79 long years in Academics as well as in N.C.C. and N.S.S. establishing itself as a heritage institution. The College received B++ Grade by UGC-NAAC in September, 2016, as a significant mark of achievement. 2018 mark the receipt of the Prestigious RUSA Grant of two crores for the development and betterment of the College by UGC.

This reputed college in Kolkata provides various Arts and Science courses affiliated under the Calcutta University, Kolkata, and is particularly attentive towards the empowerment of girl students. A 3-year (job oriented) Degree course under Calcutta University Tourism and Travel Management (TTMV) caters for jobs in all Government & Non-Government sectors conducted through an efficient placement cell.

The University of Calcutta from this 2018 session has undergone an evolution in the education system by adopting the CBCS (Choice Based Credit System) of learning, as prescribed by the UGC. The current 1+1+1 system is more tedious and complex whereas CBCS shall make education and learning more flexible, interesting, interactive, easy & scoring for students. It is supportive to the discipline of study whereby students can get the foundation built through their core courses, at the same time learn the expanded scopes of their discipline as well as get exposure to some other relevant disciplines through their elective subjects, all systematically distributed over the six semesters. Also, students get the opportunity to have higher skills specific to their chosen subject which will make them more suitable to fit better in this competitive market. Overall the CBCS system is a modern, more uniform, well structured and efficiency building method of learning.

The College has opened honours in core Science subjects namely Chemistry & Mathematics from academic session 2017-18. Physics & Microbiology have received affiliation from University of Calcutta from 2017-18 as general subjects, thus strengthening

the Science wing of the College. UGC sponsored career and market-oriented, skill enhancing add-on courses that have utility for job, self-employment and empowerment of the students are thought of for the benefit of the students. Meanwhile, the heritage building established in 1940 has undergone a massive constructional change (by the Public Works Department, Government of West Bengal)-first in its history ever. An extension plan of the building is under process with PWD.

Hon'ble Chief Minister Smt. Mamata Bandopadhyay's dream project "The Kanyashree Prakalpa" acclaimed and partnered by UNICEF operates in full swing in this college. Last year, a large number of students were benefitted by Kanyashree. Apart from this, numerous, other scholarship like Minority, SC/ST/OBC, UDAYAN, etc. are catered for. Abiding by the C.U. rules, there is a sport quota for national level or district level performers who are provided with various facilities from academic excellence.

IGNOU (Indira Gandhi National Open University) serves the educational aspirations and helps us to build an inclusive knowledge society through inclusive education offering various Certificate courses along with their college degree. After successful completion of 3 years degree course students are getting opportunity to pursue their Post-Graduation courses (Master degree, Post Graduate Diploma, and Diploma) from IGNOU.

The students are treated with personal attention, empathy and care to prepare them for higher education. "Dedication, Discipline, and Determination"-the 3D's are strongly inculcated amongst the students shaping them to be perfectly "humane".

On behalf of all the staff, I welcome the students enrolled here for a bright and promising future a happy beginning.

HISTORY OF THE COLLEGE

Muralidhar Girls' College began as a girls' school with a small number of students in 1919. The founder was Sri Muralidhar Bandyopadhyay, Principal of Sanskrit College, a well-known scholar and educationist, whose dream was to inspire in young women the ideals of national tradition and culture. His dream was fulfilled later on July 8th, 1940 when the school developed into Ballygunge Girls' College with the distinguished educationist Sri Nalini Mohan Shastri as Principal. In 1945 the College was permanently affiliated to the University of Calcutta and a year later it was renamed Muralidhar Girls' College as a mark of respect to the founder's memory. His worthy son, Sri Hironmoy Bandyopadhyay, IAS, Ex Vice-Chancellor, Rabindra Bharati University, became Vice President of the College Governing Body and arranged a grant of 3 lakh from the Government of India for the construction of a 3 storied building on Gariahat Road, where the college has since been housed. The College is at present enlisted in the UGC panel of recognized colleges (in West Bengal) under section 2(f) & 12(B) of the UGC Act. It is also registered under West Bengal Societies Registration Act, 1961. The total land area of the College is 0.25253 acre, over which it has undisputed ownership. The total constructed area is 3134.5 square meters.

Vision : Our vision is the empowerment and enlightenment of women through value-based and quality education so as to foster informed global minds. The Institution also has a proactive role in enabling the girl student for income generation and sensitizing them to international issues, so that they become truly equipped global citizens.

Mission : The mission of the college is succinctly expressed through our motto ATMADIPO BHABO. The institution aims at holistic development of unexplored potential of our students. The mission of the institution is consonant with the Millennium Development Goal - 'Promote gender equality and empower women' (UNDP, Human Development Report 2002) and the National Education Policy to extend equal socio-technological opportunities to all the students

Objectives : The following objectives are identified to fulfill the vision and mission of the college.

- To empower the students to know and ask for their rights to education, health, shelter, food and clothing.
- To empower the students to fight against every form of discrimination.
- To enable the students to take decisions and accept responsibilities.
- To cater to the needs of the society through capacity building of the students.
- To empower the students scientifically through Information and Communication Technology (ICT) enabled education to face global challenges.
- To empower the students with necessary socio-political awareness so that they become effective members of the civil society.
- To inculcate in the students moral, social, secular and ethical values.
- To sensitize and educate the students about environment and sustainable development.
- To create a healthy, competitive academic environment by continuous upgradation of teaching-learning process through research and ICT advancements.

Quality Policy of the college : "Muralidhar Girls' College is committed to excellence in modern education, training, research, entrepreneurship, career development and placement services to the optimistic satisfaction of our stakeholders."

Admission to Semester-Wise 3-Year B.A. / B.Sc. Honours 2020-2021 Under Choice Based Credit System (CBCS) Conducted by the University of Calcutta.

OUTLINE OF CHOICE BASED CREDIT SYSTEM

Academic Year: Two consecutive (one odd + one even) semesters constitute one academic year.

Course : Usually referred to, as 'papers' is a component of a programme. All courses need not carry the same weight. The courses should define learning objectives and learning outcomes. Different courses may have different marks. A course may be designed to comprise lectures / tutorials / laboratory work / field work / outreach activities / project work / vocational training / viva / seminars / term papers / assignments / presentations / self-study etc. or a combination of some of these.

I. **CORE COURSE (CC):** A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.

Modalities of selective CC by a student of Honours programme shall be as follows:

In case of B.A. / B.Sc. Honours programme a student shall have to study 14 Core courses (CC1-CC14) of the Honours Subject as specified for each of the 6 semesters.

II. **ELECTIVE COURSE :** Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline / subject of study or which provides an extended scope or which enables an exposure to some other discipline / subject / domain or nurtures the candidate's proficiency / skill is called an Elective Course.

- i) **DISCIPLINE SPECIFIC ELECTIVE (DSE) COURSE :** An elective course which may be offered by the main discipline / subject of study is referred to as Discipline Specific Elective. This course is to advance knowledge and skill in the core course domain.

Modalities of selecting DSE by a student of Honours programme shall be as follows:

In case of B.A. / B.Sc. Honours programme a student shall have to study 4 DSE courses strictly on the Honours subject. Such a student shall have to study the curriculum of DSE on the Honours subject concerned as specified for the relevant semester. *Each Honours subject shall have two groups (A & B) of DSE papers. A student shall choose any one paper from each of Group A and Group B in fifth semester and sixth semester.*

Dissertation / Project : A elective course designed to acquire special / advance knowledge, is termed as dissertation / project. This is considered as a special course involving application of knowledge in solving / analyzing / exploring a real life situation / difficult problem. A dissertation / project work will be of 6 credits. A dissertation / project work may be given in lieu of a Discipline Specific Elective.

- ii) **GENERIC ELECTIVE (GE) COURSE :** An elective course chosen generally from an unrelated discipline / subject, with an intention to seek wide exposure, is called Generic Elective.

Modalities of selecting GE by a student of Honours programme shall be as follows:

In case of B.A. / B.Sc. Honours programme, a student shall have to choose 4 Generic Elective papers strictly from 2 subjects of choice taking exactly two courses from each subject as specified for first 4 semesters.

III. **ABILITY ENHANCEMENT COURSES (AEC) :** The Ability Enhancement Courses (AEC) may be of two kinds : Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC).

- i) **ABILITY ENHANCEMENT COMPULSORY COURSES (AECC) :** AECC courses are the courses based upon the content that leads to Knowledge enhancement. These are mandatory for all disciplines.
 - a) **AECC1:** Communicative English / MIL (Bengali);
 - b) **AECC2:** Environmental Studies

Admission to Semester-Wise 3-Year B.A. General 2020-2021
Under Choice Based Credit System (CBCS) Conducted by the University of Calcutta.

OUTLINE OF CHOICE BASED CREDIT SYSTEM

Academic Year: Two consecutive (one odd + one even) semesters constitute one academic year.

Course: Usually referred to, as 'papers' is a component of a programme. All courses need not carry the same weight. The courses should define learning objectives and learning outcomes. Different courses may have different marks. A course may be designed to comprise lectures / tutorials / laboratory work / field work / outreach activities / project work / vocational training / viva / seminars / term papers / assignments / presentations / self-study etc. or a combination of some of these.

A) Core Course (CC): A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.

Modalities of selecting Core Course (CC) by a student of General programme shall be as follows:

- a) In case of B.A. General programme a student shall have to study 4 Core Courses of each of the 2 chosen subjects as specified for each of the first 4 Semesters. In addition 4 Core Courses to be studied; two courses each from two language subjects: **LCC1-English & LCC2-MIL (Bengali)** / Alternative English as specified for each of the last 4 semesters.
- B) **Elective Course** : Generally a course which can be chosen from a pool of courses and which maybe very specific or specialized or advanced or supportive to the discipline / subject of study or which provides an extended scope or which enables an exposure to some other discipline / subject / domain or nurtures the candidate's proficiency / skill is called an Elective Course.
- i) **Discipline Specific Elective (DSE) Course** : An elective course which may be offered by the main discipline / subject of study is referred to as Discipline Specific Elective. This course is to advance knowledge and skill in the core course domain.

Modalities of selecting DSE by a student of B.A. General programme shall be as follows:

- a) In case of B.A. General programme, a student shall have to study 4 DSE courses strictly on 2 subjects, opted for pursuing Core Courses, taking exactly 2 courses from each subject. Such a student shall have to study the curriculum of DSE of the subject concerned as specified for the relevant semester, i.e., DSE-A in the 5th and DSE-B in 6th semester.
- b) Each General subject shall have two groups (A & B) of DSE papers. A student shall have to choose one paper from Group A of each of the two subjects in the fifth semester and one paper from Group B of each of the two subjects in the sixth semester.
- c) **Dissertation/Project**: An elective course designed to acquire special / advanced knowledge, is termed as dissertation / project. This is considered as a special course involving application of knowledge in solving / analyzing / exploring a real life situation / difficult problem. A dissertation / project work will be of 6 credits. A dissertation / project work may be given in lieu of a Discipline Specific Elective.
- ii) **Generic Elective (GE) Course**: An elective course chosen generally from an unrelated discipline /subject, with an intention to seek wide exposure, is called Generic Elective.

Modalities of selecting GE by a student of B.A. General programme shall be as follows:

- a) In case of B.A. General programme, a student shall have to choose 2 Generic Elective papers strictly from one particular subject [**which will be different from the core subjects including the Core Languages (LCC1 & LCC2)**] as specified for the 1st and 2nd semester.

N.B.: A core course offered in a discipline / subject may be treated as an elective by other discipline / subject and such electives may also be referred to as Generic Elective. [A Core Course (CC) of B.A / B.Sc. General may be treated as Generic Elective for B.A. / B.Sc. (Honours) and B.A. (General)].

C) Ability Enhancement Courses (AEC): The Ability Enhancement Courses (AEC) may be of two kinds : Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC).

a) Ability Enhancement Compulsory Courses (AECC): AECC courses are the courses based upon the content that leads to Knowledge enhancement. These are mandatory for all disciplines.

i) AECC1 : Communicative English / MIL (Bengali)

ii) AECC2 : Environmental Studies.

b) Skill Enhancement Courses (SEC): These courses may be chosen from a pool of courses designed to provide value-based and / or skill-based knowledge and are aimed at providing competencies, skills, etc.

Modalities of selecting SEC by a student of B.A. General programme shall be as follows :

a) In case of B.A. General programme, a student shall have to study 4 Skill Enhancement courses strictly on 2 subjects, opted for pursuing Core Courses, taking exactly 2 courses from each subject. Such a student shall have to study the curriculum of SEC of the subject concerned as specified for the relevant semester.

b) *Each General subject shall have two groups (A & B) of SEC papers. A student shall have to choose one paper from Group A of each of the two core subjects in the third and fifth semesters and one paper from Group B of each of the two core subjects in the fourth and the sixth semester.*

Practical/ Tutorial: Every Core, Discipline Specific and Generic Elective Course shall have a Practical / Tutorial component. Wherever there is a practical, there will be no Tutorial and vice-versa.

FACILITIES

Library

The college library is housed in the ground floor of the college. It has almost 43,000 books on all the subjects taught in the college. The stock of books has undergone considerable expansion and the exhaustive collection adequately meets the varied requirement of all students and teachers. There is a regular annual addition of books to the stock. Newspapers, periodicals, journals and reference books are readily available. For the benefit of students with limited means there is abundant supply of text books to be used in the reading room of the library, which is accessible to all students during college hours. Great care is taken to create a quiet and tranquil atmosphere inside the room.

Besides, the library has a good collection of story books to increase reading habit of students. A computerized database is maintained and books issue-return process is also computerized.

The library offers following services :

Computerized database search facility:

Library users are able to search the database of books by the author name, subject, key word and by the name of the book.

Reading room service:

Here almost 100 students can sit at a time. They can issue books, journals, magazines or newspaper to read in the reading room during the college hours.

Book lending service:

Students can issue 2 books at a time for 14 days.

Reference service:

It has a good reference collection. All the library staffs help users to find their required information providing the ready reference sources like encyclopedia, dictionary etc.

Access to e-resource-NLIST:

The College is a subscriber of NLIST; an e-resource where from the users can download scholarly articles required by them directly from the publisher's website. The NLIST project provides access to more than 2100 e-journals and 51000 e-books. It is an initiative of Union Human Resource and Development Ministry, Govt. of India.

Remedial library:

In addition to the Main Library, the College has a Remedial Library which is specially equipped with text and reference books for the weaker students mainly from the SC/ST/OBC (non- creamy layer) category and minority students to enable them to come up to the level necessary for pursuing higher studies and to minimize the failure and drop-out rates.

Seminar library:

Every department has a seminar library. The Seminar Library stocks text and reference books and aims at providing easy access to books. It comprises of books that the students can borrow with the permission of the departmental teachers. The function of the seminar library is determined by the departments concerned. The Bengali Department has an additional library in its department in the name of Late Kalyani Sarkar. Bengali Honours students can avail the facility of this library.
