Blood Donation Camp organised by NSS on 20.05.2022

Blood donation camp on 20th May, 2022- Blood donation camp was organised in College premise by NSS Unit 1 and 2 in Collaboration with Nil Ratan Sarkar Medical Hospital. Awareness Campaign in local community regarding blood donation was organised on 14th May, 2022. Many people of our country die due to the deficiency of blood when required. Some people in our society are scared of donating blood. So to increase the awareness to donate blood and to remove fear in the people the NSS unit of Muralidhar Girls' College organised an awareness programme regarding blood donation on 14th May, 2022. Blood donation camp in collaboration with Nil Ratan Sarkar Medical Hospital was conducted successfully. 3 NSS volunteers took active participation in the awareness campaign and 34 units of blood were donated for the use of 136 patients in need

DISTRIBUTION OF MASKS AND SANITISERS BY NSS UNITS (SEPTEMBER 2020)

To control the spread of COVID-19, wearing masks is important. Protective masks are said to lower the chances of coronavirus entering our respiratory system through droplets that are present in the air. Wearing of masks is especially recommended for people living in densely populated areas. Another important precautionary measure in Covid pandemic is frequent Washing of hands with plain soap and water for at least 20 seconds. If soap and water are not available, it is highly recommended to use an alcohol-based hand sanitizer that contains at least 60 percent alcohol. Police/security personnel are in continuous exposure and close contact with public, who could be potentially infective to others. Therefore, the NSS units of the college has organised face Shields, masks and sanitizers distribution programme for the officers of local police station for their own use as well as distribution in the community September 2020.
