In this covid pandemic situation students are made to understand the importance of social contact. Since movements were restricted, it was planned to organise different programmes online to keep in regular contact with our students and staff. Saraswati puja, Teachers' day, webinars, meeting (all staff and departmental) all these programmes are conducted online with huge success.

In this Institute the students are not just prepared to perform well in examinations but they are prepared for their journey of life. A series of regular activities are conducted to make our students aware of their power, rights and duties. One important distinctive feature of the college is to focus on women education and empowerment so that they develop as person of strong character, who can independently participate in the decision-making process. Huge emphasis is laid on regular Self-defence course and Yoga.

The students do participate in co-curricular activities like NCC and NSS, which directly contribute to their personality development.

All the stakeholders of the college are committed to stand with the society at the hour of need and thus the college contributed Rs. 100000/- to the West Bengal State Disaster Management Authority for Amphan cyclone. Moreover, the NSS units of Muralidhar Girls College contributed relief materials like rice, soaps, biscuits and used clothes to the Amphan affected areas of south 24 Parganas of our state.
