Online use report:

- During the pandemic situation Semester-wise three whatsapp groups have been created with the class representatives of all departments. These groups are still functioning as before. Soft copy documents are being supplied according to the students need. Soft copy documents are also being supplied to the teachers. Students are also encouraged to use the online database Nlist. Separate user IDs have been assigned to them.

Library use (2020-2021)

(Due to Covid, the state was under lockdown. Most of the time the college was functional in virtual mode.)

Calculation of per day usage of library:

1. Software generated data for library issue return- 414 (Fig:1-9)
2. Physical library use for document scanning and internet browsing- 250 (Fig:10,11)

Total library used by- $(414+250+1000+20) = 1684$ users

Total working days: 251 (Mostly in virtual mode)

Other library use:

- Online service through whatsapp- >1000 (including holidays) (Fig: 12)
- Use of Nlist database (Fig: 13,14)

Method of computing per day usage of library:

1) Off line book issue returns are calculated by the software used by the library.

Off line Book issue return report:

Year	Home issue for students	Home issue for Guest teachers	Home issue for teachers	Book return from students	Book return from Guest teachers	Book return from teachers	Reading room issue for students	Reading room issue for teachers	Reading room issue for guest teachers	Total library transaction	total working day	Average daily transaction
