A Brief Report on the
Capacity Enhancement Courses

In this age of knowledge and skill, the young generation must accumulate enough skills to become well placed in the job market. The academic courses provide knowledge whereas the professional course, hands-on training, skill development practices etc. make a student proficient enough to be a part of the work force.

Muralidhar Girls' College has taken the initiative to impart a comprehensive and wholistic training to the students to make them well prepared for their future. Hence the capacity-enhancement courses have been introduced beside the curriculum and training has been imparted by professionals.

The capacity-enhancement courses that have been introduced are:

Course Resource Person

1. Yoga - Choyona Mukhopadhyay

2. Self Defence - Supriyo Biswas

3. Spoken English - Bidisha Biswas

4. Soft Skill Development - Parmita Dhar

5. Media writing,

Speaking and Presentation - Sananda Roy Chowdhury, Ahana Chatterjee, Sukrity (Nandy) Mukherjee

6. Embroidery, Cutting and Tailoring - Mohua Maity

7. Nutrition and Dietetics - Sharanya Bhattacharjee

8. Sexual Harassment in workplace and its legal aid - Sujata Roy

Yoga, Self Defence & Karate are chosen for making the students healthy and strong in their body and mind. Self Defence & Karate help the girls in developing courage and self-confidence when they have to face many difficult situations. These two courses have been offered every year from 2016 onwards. 22 students were enrolled for Yoga course in 2021-2022, 112 in 2020-2021, 20 in 2019-2020, 17 in 2018-2019 and 20 students in 2017-2018. For the Karate and Self Defence course

Kinjalini Biswas

Principal
Muralidhar Girls' College

15 students were enrolled in 2021-2022, 15 in 2020-2021, 15 in 2019-2020, 12 in 2018-2019 and 11 in 2017-2018.

English speaking skills and conversing fluently in English are one of the prerequisites needed for the job market in the present day. Most of the students of the college are first generation learners and come from suburban areas. The **Spoken English** course give them a great opportunity for preparing themselves for the future. Spoken English has so far been offered only once in 2020-2021 and 10 students enrolled for the course.

Soft Skill Development is the basic requirement of the present-day job market. The girls from Muralidhar Girls' College mainly come from a humble background and hence they must be prepared for the professional as well as personal life where this skill development would help them a lot. This course was offered for two years in 2021-2022 and 2020-2021. 58 students were enrolled in 2021-2022 and 85 students were enrolled in 2020-2021.

Media writing, Speaking and Presentation is such a course which is meant for any student. In the present days quite a large number of girls are interested in media. Those who do not get the chance to study Journalism and Mass Communication, can avail this hands-on training and can get a chance to enter the media profession. This course has been offered twice in 2021-2022 and 2020-2021 with 173 and 98 students enrolled in the respective years.

All the students of this college are not interested in joining some profession. Some of them are interested to do something of their own. The **Embroidery, Cutting and Tailoring** Course and Nutrition and Dietetics Course can help the girls in either becoming an entrepreneur or take up a parallel profession. This course has also been offered twice in 2021-2022 with 54 students and in 2020-2021 with 24 students enrolled respectively.

Sexual Harassment in the workspaces is a very common phenomenon during the present days and the girls must be equipped to deal with it. This course makes them aware of this evil and give them a clear understanding of the legal aids available to them. This course has been offered twice in 2021-2022 and 2020-2021 and 58 and 39 students were enrolled in the aforesaid years.

Muralidhar Girls' College always had the intention to empower the students while making them proficient in academics. The above-mentioned capacity-enhancement courses are helping the students immensely and in future the College has plans to introduce more courses in this area.
