## ACADEMIC AUDIT (2021 – 2022)

Academic Audit is an integral part of the dynamics of higher education to achieve and maintain academic excellence. It aims to document evidence-based information related to the quality of academic programmes. It encourages a culture of continuous evaluation and quality improvement with sustenance of best practices of the different academic programs.

The Academic Audit was initiated during the academic year (2021-2022) by the IQAC to evaluate the implementation of UG curriculum, teaching, learning methodologies and to ensure continuous improvement for quality assurance.

A faculty-driven model of ongoing self-reflection, peer feedback, collaboration, and teamwork based on structured conversation to improve educational quality processes in teaching, learning and evaluation.

There is a need to relook and review the curriculum, teaching, learning and evaluation methods. The statutory reports (NAAC, UGC or University) are not able to give a detailed and critical look at the curriculum, teaching, learning and evaluation methods. We know that the Higher Education scenario has changed dramatically. New teaching and learning methods are needed in order to make Higher Education relevant to the current times and to suit it to the world at large be it industry or the larger (Civil) society.

The audit serves to

- ✓ Provide a faculty driven process for a continuous improvement process
- ✓ Promote dialogue among faculty, students, and administrators
- ✓ Provide self-assessment based on quality principles
- ✓ Promote integration across programs and disciplines

The **Objective of the Academic Audit** are:

- To subject every department to external scrutiny.
- To update the curriculum, teaching, learning and evaluation methods.
- To make suggestions for improvement to the Departments for necessary changes.
- To achieve the goal of updated curriculum and revised learning and evaluation methods.

## **Methodology**

At the meeting with the Principal, Coordinator - IQAC, Members, faculties and other officials, a verbal presentation was made by the Principal which gave a general and broad profile of the facilities and activities of the College. The Audit team began their visit on December 20, 2022 at the College through brief interactions with the faculty of each department and the administrative staff. They have visited laboratories, Computer rooms, the library and some of the other facilities of the College which were accommodated in the schedule to enable the Audit Committee to acquire relevant first-hand information.

Based on the information gathered from the available documents and the interactions afforded with the different components of the institution, the Audit Committee has made a sincere endeavour to put forward certain views, observations and recommendations in the report with expectations that these recommendations, when implemented, will best serve the interest of the College as intended.

## **Profile of the College:**

**Muralidhar Girls' College** began as a girls' school with a small number of students in 1919. The founder was Sri Muralidhar Bandyopadhyay, Principal of Sanskrit College, a well-known scholar and educationist, whose dream was to inspire in young women the ideals of national tradition and culture. His dream was fulfilled later on July 8th, 1940 when the school developed into Ballygunge Girls' College with the distinguished educationist Sri Nalini Mohan Shastri as Principal. In 1945 the College was permanently affiliated to the University of Calcutta and a year later it was renamed as Muralidhar Girls' College as a mark of respect to the founder's memory. His worthy son, Sri Hironmoy Bandyopadhyay, IAS, Ex Vice-Chancellor, Rabindra Bharati University, became Vice President of the College Governing Body and arranged a grant of 3 lakh from the Government of India for the construction of a 3 storied building on Gariahat Road, where the college has since been housed. The College is at present enlisted in the UGC panel of recognized colleges (in West Bengal) under section 2(f) & 12(B) of the UGC Act. It is also registered under West Bengal Societies Registration Act, 1961. The total land area of the College is 0.25253 acre, over which it has undisputed ownership. The total constructed area is 3134.5 square meters.

## **Present status (2021 - 2022)**

The college is having twenty-two (22) departments including Honours and General in Arts and science stream. At present there are total **forty-seven (47)** full time faculties in teaching

- The Career Guidance and Placement Cell facilitates, counselling and placement opportunities
- Half of the faculty members are qualified with Ph.D. degree
- Forward looking and visionary leadership of the College authority
- Willingness of leadership for all round continuous quality improvement
- Enforcement of discipline in a fair and just manner
- Committed and supportive non-teaching staff
- Students are disciplined and well mannered
- Books and references are relevant
- Chalk and talk method with combined ICT
- Appointment of SACT for different subjects
- Well placed alumni connected to the institution.

**In general, the overall feeling of satisfaction on the part of stakeholders is a valuable strength of the Institution**

**Weakness of the Institution: -**

- Limited physical space is a major limitation of the college. This has hindered the construction of recreational hall and has also limited the expansion of classrooms, laboratories, seminar rooms and library reading rooms
- Though skill oriented professional courses are the need of the hour, inadequate funds have forestalled the opening of more professional courses
- Lack of sufficient permanent non-teaching staff to manage the workload and administrative responsibilities
- The stagnation in permanent appointments of non-teaching staff has affected the dynamics of the professional growth of the discipline
- Lack of laboratory demonstrators is another limitation in the academic front
- Lack of own hostel is a hindrance for attracting students from outside the city
- No full-time officer for placement – full time faculty given additional responsibility
- Rigid routines take over academic work
- Limitation – for inter-disciplinary course

- Lack of playground
- One or two teachers are involved with personal research projects.
- In some departments, number of students are very few.
- Only one smart class room
- Lack of departmental office room.
- No separate room for IQAC
- Public urinal system in front of the entrance is a visual pollution as well as it creates unhygienic environment.
- Number of toilets for the faculty members is not sufficient
- No full-time faculty for film studies.
- Maximum supporting staffs are casual
- Limited scope for further building expansion
- Some of the departments like Physics, Statistics, Micro-biology have single faculty
- No full-time faculty in the department of Physics, Chemistry, Statistics and Micro-biology, Zoology
- Post creation in permanent appointments has affected the dynamics of the departments and the professional growth of the discipline.

**Institutional Opportunities: -**

- With qualified teachers and varied departments, there is scope and plans for interdisciplinary add on courses and research works.
- The college has to use rented space/grounds to host the annual outdoor sports, cultural programs and other programs at its own cost.
- College authority may think of building separate facilities at other location for running different courses like vocational, professional, Post Graduate.
- Well placed and highly qualified alumni of the institution may engaged in programs of career counselling, motivational and discipline specific activities and there lies wide opportunities in the context.
- Though skill oriented professional courses are the need of the hour, inadequate funds have forestalled the opening of more professional courses.
- The college despite having a small campus, tries to provide all the basic facilities for uplifting the academics that promises for better scope future

- The NSS and NCC unit of the college is very active and has hosted many programs for betterment of the students and nation building
- The college is a girl's institution which has always tried to encourage inclusiveness across language, economic diversities, etc.
- The College can easily raise the bar of its achievement if it takes care of Faculty and students exchange programme.
- Industry institution interface cell can enhance the quality of institution
- Collaboration with foreign and other state universities for offering joint programmes can augment the status of this prestigious institution.

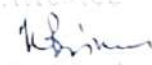

**Institutional Challenges: -**

- The introduction of CBCS promises to contemporize education with changing pedagogies but the restricted size of sanctioned teachers will hamper to fulfil the objectives of CBCS curriculum.
- Unavailability of playgrounds, indoor stadium facilities poses great challenge to manage the co-curricular activities
- Managing funds for academics, co-curricular academics and extension activities is a challenge to the institution with requirement to appoint full time non-sanctioned and part time faculties and non-permanent office staff
- The placement cell of the college has initiated no. of steps to facilitate student's placement but this could be done in favour of few disciplines only
- The institution has taken one or two initiatives in making sufficient MoUs with relevant institutions for the greater benefit of the students.
- As the college has always attracted students, the pandemic situation in last two years has led to a decrease in the enrolment, mostly due to less mobility from suburb areas to the city.
- Location of the college in a populated area, surrounded by buildings, main busy road is a challenge to maintain the safety and also the academic environment of the college.
- College should be aware regarding upcoming syllabus based on NEP 2020 and active participation of all faculties is very much needed.

### **Recommendations: -**

- ✓ Faculty be encouraged to go for more minor and major research projects funded by UGC/ICSSR/TISS etc.
- ✓ Infrastructural facilities and laboratories to be upgraded with latest equipment including ICT.
- ✓ More thrust on IT in teaching-learning be given.
- ✓ Collaborations with formal MOUs with reputed institutions be made for faculty development.
- ✓ Degree courses under Science faculty be more energized
- ✓ Need of courses like animation and graphics, web technology.
- ✓ Coaching for NET/SET, recruitment tests on regular basis be commenced
- ✓ Augmentation in ICT, library and sport resources is required
- ✓ Faculty be encouraged to go for membership of different bodies
- ✓ The placement cell of the institution may be strengthened
- ✓ Outdoor sports facility should be increased
- ✓ MoU may be formed to enhance the student support facilities such as playground
- ✓ Alumni association may be formalized with updated records. The data may be made accessible to the current students to foster their academic progression as well as enhance employment opportunities
- ✓ Language lab may be introduced
- ✓ More faculties may be trained in using ICT facilities for teaching learning
- ✓ Own hostel facility may be introduced for the students, not with other association.
- ✓ Separate reading room in the library may be introduced for the teacher and students
- ✓ Unutilized height of the library room may be gainfully utilized for keeping the extra books.
- ✓ Classes need to have rolling board and microphone.
- ✓ Research culture needs improvement and interdisciplinary research to be initiated
- ✓ Proper documentation is required for all activities
- ✓ Best practices of individual departments for various aspects need to be institutionalised.
- ✓ For effective delivery of curriculum, the course file to be assessed by IQAC
- ✓ Academic calendar to be prepared at department level following the affiliating University's calendar

- ✓ More students should be involved in the extension activities
- ✓ More collaborations need to be established for faculty exchange, students exchange, internship etc.
- ✓ More teachers should participate in FDP/ FIP programmes
- ✓ Necessary initiative to be taken to fill up the vacant faculty position
- ✓ The college may be opted for autonomous status if PG Courses are introduced by arranging separate set up.

**As a prestigious institution, it is a suggestion to arrange own land cum building to maintain its quality and reputation.**

**Gratitude: -**

**The audit members feel honoured and take this opportunity to express sincere thanks and gratitude to the College authorities for being invited to conduct the audit. They would also like to express their heartfelt thanks to all the faculty members and support staff for their wholehearted cooperation along with the hospitality that has been extended to the audit members during the audit conducted on that day.**

Statutory financial audit for 2019-20 is complete, Green Audit is in place. Admission process is completely online. ERP solution has been implemented in the college. There are two active units of NSS which conduct a number of welfare and awareness programmes in the college. The NCC unit has won numerous accolades.

**STRENGTHS:**

1. The college provides quality education to students from varied backgrounds, including first generation learners and students from low- income families with meagre resources.
2. The college has a healthy student-teacher ratio.
3. Team of dedicated teachers that ensures holistic development of the students
4. Add –on courses on fields leading to employability skills offered
5. Use of solar panel has reduced the electrical consumption by about 25%.
6. Lift facilities, ramps at the entrance, special toilets have been created for divangyan students.

**WEAKNESSES:**

1. There is no hostel facility for students.
2. All the vacancies in office are not filled up.
3. There is no playground in the campus.
- 4 Very few research and interdisciplinary projects.

**OPPORTUNITIES:**

1. More diploma courses and skill enhancement courses can be introduced as per demands of students to train them with professional and vocational skills.
2. Industry- Academia tie up can be developed
3. Introduction of PG courses.

**CHALLENGES:**

1. The college, being a government-aided one, is dependent on financial support from government sources which are available at specified intervals, severely limiting resources for upgradation and maintenance of infrastructural facilities.
2. The Alumni input and support is not being fulfilled to its potential.
3. Many students are first generation learners from deprived economic backgrounds and are not getting adequate support or motivation for higher studies beyond what the college provides them with.
4. Under the CBCS system, the infrastructure available in the college has not been commensurate with required resources.

## RECOMMENDATIONS:

1. The college can take initiative to introduce formal value-added and skill based Certificate/Diploma courses for the students.
2. Academic Diary may be maintained for monitoring the academic progress.
3. Department of Psychology may conduct counseling services for students of the college and neighbouring colleges.
4. Facilities for e-content development may be initiated in a more structured way.
5. Transfer of library database on Cloud and library cards of the students may be bar coded.
6. Development of a language lab may be considered in the browsing centre.
7. Guidance for competitive examinations and career counseling need to be strengthened.
8. The Alumni Association should be encouraged to actively participate in the affairs and events of the College.
9. More faculty development programmes should be organized by the institution to make the teachers aware of the modern LMS and MOOCs.
10. Initiatives can be made to organize seminars on Research Methodology, NEP and current Issues and Challenges
