Environmental Policy

Muralidhar Girls' College, P-411/14, Gariahat Road, Ballygunge, Kolkata-700029, West Bengal shows its sensitivity towards the environment by establishing its environmental policy.

The aims of the policy

The policy aims to eliminate or reduce all forms of environmental pollution and encourages all faculty members, staff, students and other stakeholders to do the same. The college always raises awareness of environmental issues among its staff/ students/ stakeholders, especially plastic pollution and encourages initiatives leading towards a clean environment. Its academic departments, NCC and NSS units work towards this aim collectively.

The policy promotes for waste management in the following order:

- Reduce, Reuse and Recycle
- Provide convenient waste collection points
- Guidance for the disposal of -----
 - ❖ Paper
 - ❖ Cardboard
 - ❖ Glass
 - ❖ Plastic
 - ❖ Electrical items and white goods
 - ❖ Hazardous waste
 - ❖ E-waste.

The college aims to minimize the wastage of water, consumption of electricity, solid waste disposal and thereby contribute to the proper use of the natural resources in the following ways:

- Reporting leaks and rectifying them promptly.
- Progressively replacing/supplementing water-taps in washroom and other places if needed.
- Establishing rainwater harvesting schemes in the campus.
- Progressive replacement of light bulbs with energy efficient ones.
- Encouraging staff, mainly students to turn off electrical appliances when not in use.
- Conserving energy by promoting the use of daylight.
- Conducting frequent preventive and corrective maintenance.
